**Re: M&S Payphone Service, Inc.
Certificate No. 3109**

Dear Ms. Winkel:

The Commission received your 2000 Regulatory Assessment Fee return with what appears to be a request for cancellation of your certificate. The 2000 return did not include a check for at least the minimum. The form had a hand-written note which stated "Company closed 12/31/99."

There are two types of cancellation. The first is voluntary and is requested by the certificate holder. The Commission grants voluntary cancellations if a company is in good standing and has no outstanding balance of the Regulatory Assessment Fee. The other is involuntary. This is where the Commission cancels a certificate for a rule violation, such as not paying the Regulatory Assessment Fee. If the Commission cancels a certificate involuntarily, any unpaid fees, including penalty and interest charges, are forwarded to the Comptroller's Office for collection attempts. I'm enclosing a copy of Rule 25-24.514, Florida Administrative Code, for your review.

The Regulatory Assessment Fee is owed if a certificate is active for any day during a calendar year. Since we received your request for cancellation in December 2000, I will make December 31, 2000 the effective date of the cancellation. However, you must first write the Commission a letter specifically requesting cancellation of your certificate, if that is what you want, and include payment for at least the \$50 fee. Your letter and payment must be postmarked by January 30, 2001 to receive an effective date in 2000. If your payment is postmarked after January 30, penalty and interest charges will apply.

Please let me know by January 30 how you wish to proceed. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at pisler@psc.state.fl.us.
