Linda, I've changed OPR to RGO and staff to Toni McCoy. Would you please take care of the title change?

Subject: Docket No 010022-TC

2001 Telecommunications, Certificate No. 909 was tranferred to Paula Isler, CMP because of Outstanding RAF's and Non-reponse to FLPSC inquiries for RAF Payment.

The defunct company has paid its RAF's through 2000 and the check is being posted by Administration today. Please revert this case back to Toni McCoy for voluntary cancellation effective 12/31/00.

Sorry for the inconvenience this may have caused staff.

Please change Division from CMP to RGO.

Please change staff from Isler to McCoy.

Please change docket title to: Request for cancellation of Pay Telephone Certificate No. 909 by 2001 Telecommunications, Inc., effective 12/31/00.

Thank you.
