Re: Request for Review of Proposed Numbering Plan Relief for the 941 Area Code
Docket No. 000604-TL
CAO No. 1302

Dear Mr. Casey,

This is to follow-up with our telephone conversation on this date. As we discussed, Manatee County sent via Federal Express its Notice of Compliance with the Order Establishing Procedure and Testimony of Joe McClash on February 1, 2001, in order to comply with the Public Service Commissions' February 2, 2001 pre-filed testimony deadline. The Public Service Commission contacted Commissioner McClash on February 8, 2001 and advised that they did not receive his testimony until February 7, 2001. This will confirm our conversation that Manatee County contacted Federal Express on February 8, 2001 and it was confirmed that the pre-filed testimony of Commissioner McClash, sent on February 1, 2001, was delivered on February 2, 2001 at 10:22 a.m.. Please see the attached Federal Express report.

Accordingly, I am sending this letter to you at your request in lieu of a Motion since Manatee County's pre-filed testimony was timely filed. I hope that this clarifies this matter. If you have any questions, or require any further action by Manatee County, please contact me immediately.

Sincerely yours,

James A. Minix
Senior Assistant County Attorney
