RE: Deferral of Item 26, Docket No. 010125-TX, from the February 20, 2001 Agenda Conference *WDB*

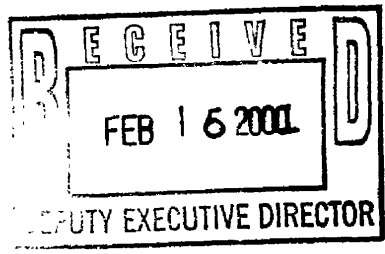

On February 16, 2001, Atlantic.Net Broadband, Inc. requested a deferral of Docket No. 010125-TX from the February 20, 2001, Agenda Conference. In addition, Atlantic.Net Broadband submitted a settlement offer of \$7,000 which is being evaluated by staff. In discussions with the company, staff's initial assessment is that the company's offer may be adequate to resolve the issues of the show cause proceedings. In view of Atlantic.Net Broadband's request for deferral with its submission of a proposed settlement offer (attached), staff supports the request for deferral. Staff will reschedule this item for the April 3, 2001, Agenda Conference.
