Don't know why I put the "s" because I didn't mean to – but I will correct the title based on the request in this e-mail.

Per Kim, your updated title is correct with the exception of the "s" on amendment....Please make certain the docket title reflects that this is only one amendment.

Thank you.

An e-mail is fine, but I do need to have the complete docket title in the e-mail. This is how we will update the title:

Request for approval of amendments to adopted terms of interconnection, unbundling, and resale agreement by BellSouth Telecommunications, Inc. and DSLnet Communications, LLC.

The wording is a bit different from yours (I added "of IUR agreement") so please let me know if it's okay and I'll update right away.

Hi Kay. I actually prepared a memo, but Kim Pena suggested that this (email) will take care of it, so I am attaching the memo I'd prepared - but not filed. I copied Sandy just to make sure that one (or both) of you saw this!

If its not too much trouble, please change it ASAP; we need to print a "correct" cover page for the rec to be filed by noon today. (Please advise me or Margie when the change has been made & we'll take it from there). If you are unable to do this before noon, please advise and I'll request permission to file the rec late.

Thanks
