Requests for an exemption from this requirement must be accompanied by an attestation by the owner of the pay telephone, the location provider, and the chief of the responsible law enforcement agency that the request is made to deter criminal activity at that pay telephone.

BellSouth Public Communications, Inc. (BellSouth) has filed a Request for Exemption from the requirement that each telephone station shall allow incoming calls from each of the pay telephones listed below. BellSouth's request includes an attestation by BellSouth, the location provider, and the chief of police that the request is made in order to deter criminal activity facilitated by incoming calls being received at the pay telephones.
