Dear Ms. Bayo:

This letter is being send on behalf of the Wyndtree Phase III, Villages 5 & 7 Homeowners Association. The Homeowners Association and its ninety six members are customers of Aloha Utilities of Pasco County.

This letter is our request to be a Party of Record in the Aloha Utilities of Pasco County rate increase case. This case is Docket No. 010168. We do not believe Aloha Utilities deserves this increase. Aloha Utilities knew what their pumping restrictions were, and continued to accept new customers. They could have requested new pumping standards or refused any new customers. They chose to violate their permit, and continue to seek new customers. Why should any customer have to pay for the mistakes of the utility's managements?

Sincerely,

Edward Wood
