Docket No. 010156-WU - Application for increase in service availability  
charges for water customers in the Seven Springs service area in Pasco  
County by Aloha Utilities, Inc.

Dear Mr. Deterding:

As you noted in your letter dated February 21, 2001, upon Aloha Utilities, Inc. (Aloha), filing the water service availability case on February 1, 2001, Order No. PSC-00-1285-FOF-WS stated that Docket No. 960545-WS could be administratively closed. By memorandum dated February 27, 2001, the Division of Legal Services and the Division of Regulatory Oversight requested that the Division of Records and Reporting close Docket No. 960545-WS.

Pursuant to Order No. PSC-00-1285-FOF-WS, Aloha was filing monthly reports indicating the monthly and total interim service availability charges collected subject to refund, and monthly reports indicating the status of permitting and construction of the pilot project and the results of the pilot project on the quality of water. Please continue to file those reports in Docket No. 010156-WU. Also, staff requests that you specifically copy Tom Walden of the Division of Regulatory Oversight with any reports indicating the status of permitting and construction of the pilot project and the results of the pilot project on the quality of water.
