Re: Docket No. 000731-TP (AT&T Arbitration)

Dear Ms. Bayó:

Attached is Exhibit 1 (RMP-1) that was inadvertently omitted from Mr. Pate's testimony that was prefiled in this Docket on November 15, 2000. This exhibit contains acronyms for the various electronic interfaces that are discussed in his testimony and a glossary of other terms. I apologize for any inconvenience this has caused.

A copy of this letter is enclosed. Please mark it to indicate that the original was filed and return the copy to me. Copies have been served to the parties shown on the attached Certificate of Service.

Sincerely,

Nancy B. White
