RE: DOCKET NO. 970991-SU - Investigation into rates and charges of Florida Cities Water Company - Lee County Division (South Ft. Myers Wastewater System) for potential overearnings.

Issue 1: Should this docket be closed?

Recommendation: Yes. The only action remaining to be done in this docket was to have Florida Cities Water Company credit any remaining overearnings as of December 31, 2000 to contributions-in-aid-of-construction (CIAC). However, with the sale of the utility to Florida Governmental Utility Authority, an exempt entity, this action has no meaning and the requirement is moot. As such, this docket should be closed.
