FLORIDA PUBLIC SERVICE COMMISSION
Instructions For Filing Regulatory Assessment Fee Return
(Interexchange Company)

T - 010237

1. **WHEN TO FILE:** For companies which owed a total of \$10,000 or more of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

*On or before July 30 for the six-month period January 1 through June 30, AND
On or before January 30 for the six-month period July 1 through December 31.*

For companies which owed a total of less than \$10,000 of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

On or before January 30 for the twelve-month period January 1 through December 31.

However, if July 30 or January 30 falls on a Saturday, Sunday, or holiday, the Regulatory Assessment Fee may be filed or postmarked on the next business day, without penalty.

2. **FEES:** Each company shall pay 0.0015 of its gross operating revenues derived from intrastate business, as referenced in Rule 25-4.0161(1), F.A.C. Gross Operating Revenues are defined as the total revenues before expenses. Gross Intrastate Operating Revenues are defined as revenues from calls originating and terminating within Florida. Do not deduct any expenses, taxes, or uncollectibles from these amounts other than the amount in Line 7.

On Line 7, deduct any amounts paid to another telecommunications company for the use of any telecommunications network to provide service to its customers. ***Do not deduct any taxes, federal subscriber line charges, interstate long distance access charges, or amounts paid for nonregulated services such as voice mail, inside wire maintenance, or equipment purchases/rentals. DEDUCTIONS MUST BE INTRASTATE ONLY AND MUST BE VERIFIABLE.***

3. **FAILURE TO FILE BY DUE DATE:** Failure to file a return by the established due date will result in a penalty being added to the amount of fee due, 5% for each 30 days or fraction thereof, not to exceed a total penalty of 25% (Line 10). In addition, interest shall be added in the amount of 1% for each 30 days or fraction thereof, not to exceed a total of 12% per year (Line 11). A Regulatory Assessment Fee Return must be completed, signed, and filed even if there are no revenues to report or if the minimum amount is due.

When a company fails to timely file a Regulatory Assessment Fee Return, the Commission has the authority to order the company to pay a penalty and/or cancel the company's certificate. The company will have an opportunity to respond to any proposed Commission action.

4. **EXTENSION:** A request for an extension of time up to 30 days may be made by filing the enclosed *Request for Extension to File Regulatory Assessment Fee Return* form (PSC/ADM-124), two weeks prior to the filing date. When an extension is granted, a charge shall be added to the amount due:

0.75% of the fee to be remitted for an extension of 15 days or less, or
1.5% of the fee for an extension of 16 to 30 days.

In lieu of paying the charges outlined above, a company may file a return and remit payment based upon estimated gross operating revenues. If such return is filed by the normal due date, the company shall be granted a 30-day extension period in which to file and remit the actual fee due without paying the above charges, provided the estimated fee payment remitted is at least 90% of the actual fee due for the period. An automatic 30-day extension to file an actual return may be obtained by checking the "Estimated Return" space in the top left-hand corner on the reverse side.

5. **FEE ADJUSTMENTS:** You will be notified as to the amount and reason for any fee adjustment. Penalty and interest charges may be applicable to additional amounts owed the Commission by reason of the adjustment. The company may file a written request for a refund of any overpayments. The request should be directed to Fiscal Services at the below-referenced address.
6. **MAILING INSTRUCTIONS:** Please complete this form, make a copy for your files, and return the original and in the enclosed preaddressed envelope. Use of this envelope should assure a more accurate and expeditious recording of your payment. **Make your check payable to the Florida Public Service Commission.** If you are unable to use the envelope, please address your remittance as follows:

Florida Public Service Commission 2540 Shumard Oak Boulevard Tallahassee, FL 32399-0850 ATTENTION: Fiscal Services

7. **ADDITIONAL ASSISTANCE:** If you need additional assistance in preparing your Regulatory Assessment Fee Return or regarding telecommunications facilities, please contact the Division of Competitive Services at (850) 413-6600. This division may be contacted at the above-referenced address, directing correspondence to the attention of the division.

Dear Mr. Bass:

The Commission has received your request for cancellation of Innovative's IXC Certificate. Before I can recommend voluntary cancellation of a certificate, the company must be in good standing with the Commission and not owe any Regulatory Assessment Fees (RAF), including penalty and interest charges.

In this case, our records show that Innovative has a \$3.00 past due penalty and interest balance from the 1999 RAF payment (breakdown attached). In addition, Rule 25-24.474, Florida Administrative Code, provides that before a certificate can be cancelled, the company must provide the date the current year's RAF will be paid. The 2000 RAF notices were mailed last week and payment is due by January 30, 2001. This means that Innovative either needs to go ahead and pay the \$3.00 past due balance plus the 2000 payment or pay the \$3.00 balance and provide a date certain the 2000 payment will be made. As soon as this information is received, I will open a docket to voluntarily cancel Innovative's certificate with an effective date of December 18, 2000 (the date we received the request for cancellation).

If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at pisler@psc.state.fl.us.

re: Innovative Telecom Corp.

Dear Ms. Bayo:

This letter is to inform the Commission that Innovative Telecom Corp. (holder of a Florida certificate to provide long distance service, Company Code T1515, Certificate Number 4716) has sold its assets to Enhanced Global Convergence Services Inc. d/b/a eGCS ("eGCS"), a New Hampshire Corporation authorized to do business in Florida. eGCS is today filing an application for its own certificate to provide long distance / prepaid calling service in Florida. Since the asset transfer, Innovative and eGCS have cooperated in the provision of service under the Innovative certificate.

It is our understanding following conversations with Commission staff that no formal application for approval of the asset transfer is necessary.

An extra copy of this letter is enclosed for your records. I ask you to stamp as received the copy of the letter marked "stamp & return" and send it in the envelope provided. Please do not hesitate to call if we can be of assistance.

Very truly,

Brian D. Robinson
