Re: Docket No. 001234-WS - Application for amendment of Certificate Nos. 236-W and 179-S to extend service area in Nassau County by United Water Florida Inc.

Dear Ms. Jump:

I am writing in regard to our telephone conversations on December 8, 2000, and January 2, 2001. During these telephone conversations, you stated that you wished to withdraw your objection to the above-referenced application and did not wish to pursue a hearing in this matter. You also stated that you had sent two letters stating such to the Commission. As I stated to you in our telephone conversations, the Commission has not received your letters.

I left telephone messages for you on January 16, 2001, January 31, 2001, and March 7, 2001, to inform you that the Commission has not yet received the letter withdrawing your protest that you indicated you had sent. To date, I have not received a reply. By this letter, I am confirming that you wish to withdraw your objection to the above-referenced application and that you do not wish to pursue a hearing in this matter. If I do not hear from you by March 22, 2001, this application will proceed forward without a hearing. You can contact me at (850) 413-6202.

Thank you for your attention to this matter.

Sincerely,

Samantha M. Cibula
