VOTE SHEET

MARCH 13, 2001

RE: DOCKET NO. 001521-EU - Proposed amendment of Rule 25-6.035, F.A.C., Adequacy of Supply.

Issue 1: Should Rule 25-6.035 be amended as indicated in Attachment 1 to staff's March 1, 2001 memorandum.

Recommendation: Yes. Rule 25-6.035 should be amended as proposed in Attachment 1. The intent of the rule is to facilitate equitable sharing of energy reserves by means of standards consistent with current Florida Reliability Coordinating Council (FRCC) approved guidelines.

MODIFIED

Approved with deletion of the word "operating" on Page 5, Lines 6 and 10, of Staff's 3/1/01 recommendation.

Staff was directed to start a separate proceeding on long term reliability issues discussed by the parties at the conference and to define the term "operating reserve."

REMARKS/DISSENTING COMMENTS:

VOTE SHEET

MARCH 13, 2001

DOCKET NO. 001521-EU - Proposed amendment of Rule 25-6.035, F.A.C.,
Adequacy of Supply.

(Continued from previous page)

Issue 2: Should Rule 25-6.035 be amended as proposed by the Florida
Industrial Power Users Group (FIPUG)?

Recommendation: No. Rule 25-6.035 should not be amended as suggested by
FIPUG.

APPROVED

Issue 3: Should late-filed comments of the Jacksonville Electric Authority
(JEA) and the City of Tallahassee be utilized as a basis for further
amending Rule 25-6.035?

Recommendation: No. JEA and City's comments should not be a basis for
further amending Rule 25-6.035 at this time.

APPROVED

Issue 4: If no comments or requests for hearing are received, should the
rule as amended be sent to the Secretary of State for adoption and the
docket closed?

Recommendation: Yes. If no comments or requests for hearing are received,
the rule as amended may be filed for adoption with the Secretary of State.
The docket may then be closed.
