RE: CLOSING OF DOCKET NO. 990937-SU - PETITION FOR STAFF ASSISTED RATE CASE IN POLK COUNTY BY ABCA, INC.

By Order No. PSC-00-1163-PAA-SU, the Commission approved an allowance for pro forma plant improvement costs. The Commission further ordered ABCA, Inc. to complete the pro forma plant improvements within 12 months. The order stated that after staff has verified that all plant improvements have been completed, this docket shall be closed administratively.

On March 6, 2001, ABCA, Inc. submitted a letter indicating that the pro forma allowance had been completed, and in fact, had been exceeded by the utility. Staff has conducted its on-site inspection and has verified that ABCA, Inc. has exceeded the requirements in Order No. PSC-00-1163-PAA-SU.

Therefore, pursuant to the Commission's order referenced above, this docket may be closed administratively.
