Zephion Networks Communications, Inc.	7789

If this Order becomes final and effective, it will serve as each entity's certificate. Each entity should, therefore, retain this Order as proof of certification. The Commission is vested with jurisdiction on this matter pursuant to Sections 364.335 and 364.337, Florida Statutes.

ALEC providers are subject to Chapter 25-24, Florida Administrative Code, Part XV, Rules Governing Telecommunications Service Provided by Alternative Local Exchange Companies. ALEC providers are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapters 25-4, Florida Administrative Code.

Pursuant to Section 364.337(2), Florida Statutes, basic telecommunications service provided by an ALEC "... must include access to operator services, "911" services, and relay services for the hearing impaired." Further, Section 364.337(2), requires that an ALEC's "911" service "... shall be provided at a level equivalent to that provided by the local exchange telecommunications company serving the same area."

In addition, under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee (RAFs) of \$50 if the certificate was active during any portion of the calendar year. A RAFs Return notice will be mailed each December to each of the entities listed above for payment in January. Neither the cancellation of its certificate nor the failure to receive a RAFs Return notice shall relieve any of these entities from its obligation to pay RAFs.
