SETTLEMENT AGREEMENT

This agreement is made between Allied Universal Corporation, a Florida corporation (“Allied”), Chemical Formulators, Inc., a Florida corporation (“CFI”), (hereinafter jointly referred to as “Allied/CFI”), and Tampa Electric Company (“TECO”), a Florida public utility corporation, effective March 2, 2001.

WHEREAS, Allied/CFI and TECO are parties to that certain matter pending before the Florida Public Service Commission (“PSC”), styled “In Re: Complaint by Allied Universal Corporation and Chemical Formulators, Inc. against Tampa Electric Company, etc.,” Docket No. 000061-EI (“the PSC Litigation”); and

WHEREAS, as part of the relief it has sought in the PSC litigation, Allied/CFI has requested that the PSC suspend the rates for electric service provided by TECO to Allied/CFI’s business competitor, Odyssey Manufacturing Company (“Odyssey”); and

WHEREAS, Odyssey and its affiliate, Sentry Industries, Inc. (“Sentry”), have intervened in the PSC litigation to request that the PSC

uphold or otherwise approve Odyssey's rates, terms and conditions for electric service from TECO; and

WHEREAS, Allied/CFI and TECO desire to resolve their differences and conclude the PSC litigation on terms which do not affect Odyssey's rates, terms and conditions for electric service from TECO;

NOW, THEREFORE, Allied/CFI and TECO hereby agree to conclude the PSC litigation on the following terms:

1. All prefiled testimony, deposition testimony, and exhibits thereto, which have been filed in the PSC litigation to date, shall be moved into evidence in this docket and shall remain subject to orders previously issued concerning confidential classification of information in the PSC litigation. This evidence shall be permanently retained as a part of the record in Docket No. 000061-EI, to serve, among other things, as a record basis for the PSC's prudence review in this docket. Nothing herein shall limit or abridge the right of any party to petition the Commission to unseal or declassify portions of this evidence.

2. Pursuant to its Commercial Industrial Service Rider (“CISR”) tariff, TECO and Allied/CFI shall execute a Contract Service Agreement (“CSA”) for electric service to a new sodium hypochlorite manufacturing facility to be constructed and operated by Allied/CFI and/or their affiliate(s) in TECO’s service territory, upon the same rates, terms and conditions as those contained in the existing CSA between TECO and Odyssey, provided that the new sodium hypochlorite manufacturing facility must begin commercial operations within 24 months from the date of the PSC’s order approving this settlement agreement. The TECO-Allied/CFI CSA shall be in a form substantially identical to the CSA attached hereto as Exhibit “A”, and shall include the force majeure clause attached to this settlement agreement as Exhibit “B”.

3. Allied/CFI shall assert no further challenge, before the PSC, to the rates, terms and conditions for electric service provided by

TECO to Odyssey and set forth in the TECO/Odyssey CSA.

4. Order No. PSC-98-1181-FOF-EI, issued August 10, 1998 in Docket No. 980706-EI, approving TECO's CISR tariff, provides in part that: (1) TECO may request a prudence review subsequent to signing a CSA; (2) TECO will have the burden of proof that the company's decision to enter into a particular CSA was made in the interest of the general body of ratepayers; and (3) if the Commission finds that a particular CSA was not a prudent decision, then the revenue difference between the standard rate and the CISR rate could be inputed to TECO. Accordingly, TECO requests that the PSC make the following findings of fact:
 - a. Both the existing Odyssey CSA and the proposed Allied/CFI CSA provide benefits to Tampa Electric's general body of ratepayers and, therefore, the Commission finds that both CSAs are in the best interests of ratepayers.
 - b. The Commission finds that Tampa Electric's decision to

enter into the Odyssey CSA, and the CSA itself, were prudent within the meaning of Order No. 98-1081-FOF-EI in so far as they provide benefits to Tampa Electric's general body of ratepayers.

c. The Commission finds that Tampa Electric's decision to enter into the Allied/CFI CSA, and the CSA itself, were prudent within the meaning of Order No. 98-1081-FOF-EI in so far as they provide benefits to Tampa Electric's general body of ratepayers.

5. Allied/CFI agrees not to contest the findings of fact, rulings and determinations requested in paragraphs 4 and 7 of this Settlement Agreement, provided that no findings of fact or conclusions of law shall be made with respect to the allegations of Allied/CFI's Complaint in this proceeding.
6. Allied/CFI's Complaint in the PSC litigation shall be deemed withdrawn, with prejudice, upon: (a) the execution of this settlement agreement by TECO and Allied/CFI; and (b) the

issuance of an order by the PSC approving this settlement agreement, as proposed.

7. Allied/CFI and TECO request that the PSC include in its order approving this Settlement Agreement the following rulings and determinations:
 - a. The Commission shall not entertain any further challenge to the existing Odyssey or the proposed Allied/CFI CSA or the rates, terms or conditions contained therein.
 - b. In light of the above findings that both CSAs are prudent and in the best interests of ratepayers, Tampa Electric shall be relieved of any further obligation to report on its surveillance report the potential impact on revenues of these two CSAs.
 - c. The Commission order approving the settlement proposed herein shall have no precedential value.
 - d. The parties shall abide by the various General Release agreements executed among them.
8. Allied/CFI shall execute the General Release attached as Exhibit

“C” hereto. Except as stated in paragraph 3 above, this Settlement Agreement shall not in any way waive, release, discharge, limit or impair any claims that Allied/CFI may have against Odyssey and Sentry, as provided in the General Release.

9. In any subsequent litigation against Odyssey, Sentry, and related parties, Allied/CFI will make good faith efforts to avoid imposing unduly burdensome discovery requests on Tampa Electric and its related parties as set forth in the General Release which is Exhibit “C” hereto, without unreasonably restricting the ability of Allied/CFI’s counsel to conduct appropriate discovery necessarily involving Tampa Electric and its related parties in such litigation.
10. Tampa Electric has agreed not to disclose to Odyssey or Sentry, absent Commission authorization or Allied/CFI’s express written approval, the force majeure provision attached hereto as Exhibit “B” in light of Allied/CFI’s position that this provision constitutes confidential, proprietary business information. To the

extent it may be deemed necessary to file Exhibit "B" with the PSC in connection with the PSC's approval of this settlement agreement, it shall be filed under seal and protected against disclosure to Odyssey, Sentry and others.

11. This settlement agreement and the exhibits hereto constitute the entire agreement between the parties and may not be modified except by a writing, signed by all parties.
