**Re: Network Telephone Corporation and
LightNetworks, Inc.**

Dear Ms. Sands:

The Commission has received your letter dated February 18 advising that due to the transfer of control to Network Telephone Corporation, you were requesting cancellation of LightNetworks ALEC and IXC certificates. However, before a docket is established, I need clarification.

In your letter, you specifically requested cancellation of LightNetworks' ALEC Certificate No. 5613 and LightNetworks' IXC Certificate No. 5681. Those certificate numbers were issued in the name of Network Telephone Corporation. LightNetworks' ALEC certificate is number 7349 and its IXC certificate is number 7350. Based upon this information, please advise in writing, which company wishes to have its certificates cancelled.

In addition, both companies have outstanding balances of the Regulatory Assessment Fees (RAFs) and/or statutory penalty and interest charges. These balances must be paid in full prior to the Commission approving any voluntary cancellation. Our records show that the 2000 RAFs, which were due January 30, 2001, for LightNetworks' two certificates have not been paid. Since it is after the due date, LightNetworks also owes penalty and interest charges. The RAF returns for LightNetworks are attached. Also, Network Telephone has a past due of \$151.50 on its ALEC certificate and \$10.82 on its IXC certificate. The breakdowns are attached.

The RAF is due on every certificate if the certificate is active for any day during a calendar year. Our rules provide that the company must provide a date certain that the current RAF will be paid when requesting voluntary cancellation. This means that whichever company wants its certificates cancelled, that company also owes for the 2001 RAF. Therefore, the company may go ahead and pay the 2001 fees or provide the date certain they will be paid. Let me know if you need the 2001 forms and for which company.

Re: Cancellation of LightNetworks' service authority in Florida
ALEC Certificate No. 7349 and IXC Certificate No. 7350

Dear Sir or Madam:

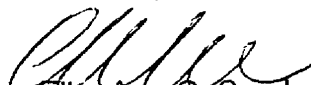

The original plus twelve (12) copies of this letter shall serve as LightNetworks, Inc.'s request to withdraw its local and long distance service authority in the state of Florida.

By virtue of the transfer of control, approved in Docket No. 001488-TP, of LightNetworks, Inc. ("LNI") to Network Telephone Corporation, ("NTC") LightNetworks makes this request to cancel its ALEC Certificate No. 7349 and IXC Certificate No. 7350. Network Telephone Corporation will maintain the ALEC and IXC Certificates issued previously to Network Telephone Corporation. Any unpaid Regulatory Fees by either company will be paid promptly.

An additional copy of this letter has been enclosed to be date stamped and returned in the envelope provided.

Should you have any questions concerning this filing, please do not hesitate to call. Thank you for your assistance with this matter.

Sincerely,

EllenAnn G. Sands

Subject: RE: LightNetworks

I wrote Ms. Sands on 2/21 and advised that the two certificates (5613 and 5681) did not belong to LightNetworks. Instead, they belonged to Network Telephone Corporation. I advised LightNetworks two certificates are 7349 and 7350. In addition, both companies (all four certificates) have outstanding balances which must be paid before we can open a docket to cancel the certificates. I advised that she let me know specifically which certificates to cancel and pay the outstanding balances for all four certificates first. Therefore, did they send a check and if yes, how much?

Hi Paula. The above company is requesting cancellation of ALEC Cert 7349 and IXC Cert 7350. Are they paid up?

Also, we sent you a letter where they wanted to cancel Certs 5613 and 5681. What become of that one?

Thanks Paula.

Never mind the "confusing" part. I have now discovered that the docket title had the certificate numbers backwards. They apparently were correcting the error in their 2/22 letter by sending that 3/1 letter.

However, since they owe RAFs, Paula is looking into that, and we'll need to wait till we hear back from her before we open a docket to cancel Certs 7349 and 7350.

Kim, we have moved the document to the undocketed.

There is something confusing here.

On 2/20/01, we received a letter asking us to cancel LightNetwork's Certs 5613 and 5681. Because both certs owed past-due RAFs, we sent the request to Paula to attempt collection before we opened a docket for voluntary cancellation. That letter (DN 02337-01) was put in the undocketed. Once Paula completes her work, she'll send us a request to establish docket to cancel the certs.

On 3/5/01, we received another letter (DN 02844-01, the one you sent your e-mail about) asking us to cancel LightNetwork's Certs 7349 and 7350. We also sent that one to Paula. HOWEVER I have discovered that those cert numbers actually belong to Network Telephone Corporation--the other company in the "asset purchase agreement" in Docket 001488.

Bottom line, we cannot yet open a docket for cancellation. And we also need to get the second letter straight. Did they actually mean to ask for Network Telephone's certs to be canceled? Paula, will you be checking on that in your attempt to collect RAFs?

Kay

Please remove this document from docket no. 001488-TP and open two new dockets. This is a request for cancellation of the company's IXC and ALEC certificates. Thanks!
