Re: Notice of Corporate Name Change for Advanced TelCom Group, Inc.

Dear Blanco Bayo:

This letter serves to notify the Florida Public Service Commission ("Commission") of a corporate name change for the company known as "Advanced TelCom Group, Inc." Advanced TelCom Group, Inc. has a certificate of authority in this name in the state of Florida to operate as an interexchange and competitive local exchange telecommunications services company.

Pursuant to discussion with Ms. Toni McCoy, we understand that the Commission requires a letter of notification to inform the Commission of the name change and the use of a fictitious name. This letter is intended to fully satisfy these regulatory requirements.

Advanced TelCom Group, Inc. received approval from the Secretary of State in Florida on December 11, 2000, to change its name to "Advanced TelCom, Inc." Advanced TelCom, Inc. has also received approval from the Secretary of State to register the name "Advanced TelCom of Florida, Inc.," as a fictitious name. Copies of the certificates of approval from the Secretary of State are attached to this letter as proof of these actions.

The name change is the only corporate name change to report. No other changes to either the corporate or financial organization of the company have occurred.

RECORDS-REPORTING

Reasons for the Corporate Name Change

The company known as Advanced TelCom Group, Inc. is an operating company of a Delaware corporation formerly known as "ATG Group, Inc." On June 16, 2000, ATG Group, Inc. received approval from the Office of the Secretary of State in Delaware to change its name to "Advanced TelCom Group, Inc." The Delaware corporation sought and received authority to change its name in preparation for a planned public offering of stock.

Since the name "Advanced TelCom Group, Inc." has been used in the nationwide market by the operating companies, this name has public recognition. Consequently, the Delaware corporation legally adopted the name "Advanced TelCom Group, Inc." in order to issue stock in a publicly recognized name.

Since the Delaware corporation assumed the legal name of the operating company in Florida, a legal name change is also necessary for the certificated, operating company. Consequently, the operating company in Florida sought and received approval to change its name from "Advanced TelCom Group, Inc." to "Advanced TelCom, Inc." and to register the fictitious name of "Advanced TelCom of Florida, Inc."

Please update the Commission's records as appropriate. Please acknowledge receipt of this filing by date-stamping and returning the extra copy of this letter of notice in the self-addressed, stamped envelope provided for this purpose.

If you have any questions, please do not hesitate to call me. Thank you for your attention to this matter.

Very truly yours,
