MEMORANDUM ACCOMPANYING REVISED RECOMMENDATION

The attached recommendation has been changed to reflect staff's amendments to its original recommendation filed on March 22, 2001. The wording of the recommendations on Issues 2 and 3, pages 6 and 12, respectively, have been changed and are reflected in type and strike text. The staff analysis has also been changed to reflect the same corresponding language. The type and strike text for Issue 2 appears on pages 8 and 11. Since the original pages after page 6 all changed as a result of adding new type and stike text, all following pages have been marked as revised.
