Re: Docket No. 980744-WS

Dear Blanca:

By this letter I am forwarding an original and fifteen copies of testimony by Kimberly H. Dismukes for filing in this case. Please note that there have been redactions of testimony at page 20, line 20 through line 23. These lines have been redacted or partially redacted because Florida Water Services Corporation claimed that this information was confidential when responding to discovery requests.

I am also forwarding one copy of unredacted page 20. The page has been marked "CONFIDENTIAL" and should be treated as such by the Commission until Florida Water decides whether to file a specific claim of confidential or to release the information to the public.

Please call if you have any questions.

Sincerely,

Charles J. Beck,
Deputy Public Counsel
