ORIGINAL

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

IN RE: Environmental Cost )  
Recovery Clause )

Docket No. 010007-EI  
Filed: April 2, 2001

PETITION FOR APPROVAL OF ENVIRONMENTAL  
COST RECOVERY TRUE-UP FOR THE PERIOD  
JANUARY 2000 THROUGH DECEMBER 2000

Florida Power & Light Company ("FPL") hereby Petitions this Commission for approval of FPL's Final Environmental Cost Recovery true-up amount of \$409,377 overrecovery for the period of January 2000 - December 2000 and an underrecovery of \$1,610,244 as the adjusted net true-up amount. In support of this Petition, FPL states as follows:

1. The final \$409,377 Environmental Cost Recovery overrecovery for the period January 2000 - December 2000, was calculated in accordance with the methodology set forth in Schedule A-2 for the Fuel Cost Recovery Clause, attached to Order 10093 dated June 19, 1981. This calculation and the supporting documentation are contained in the prepared testimony of FPL witness K.M. Dubin, which is being filed together with this Petition and incorporated herein.

2. In Order No. PSC-00-2391-FOF-EI issued December 13, 2000, the Commission approved \$2,019,621 overrecovery as the estimated/actual environmental cost recovery true-up for the period January 2000 through December 2000.

3. The adjusted net true-up is an underrecovery of \$1,610,244 which is the difference between the actual true-up of \$409,377 overrecovery and the estimated/actual true-up of \$2,019,621 overrecovery.

WHEREFORE, Florida Power & Light Company respectfully requests the Commission to approve the final Environmental Cost Recovery true-up amount of \$409,377 overrecovery, and an underrecovery of \$1,610,244 as the adjusted net true-up amount for the period January 2000 through December 2000.

DATED this 2<sup>nd</sup> day of April, 2001

Respectfully submitted,

STEEL HECTOR & DAVIS LLP
