

## CIGRR NOTIFICATIONS

The CIGRR forum is open to all AOCN's (Operating Company Name/Number) in the industry (any one who has been assigned an NXX). It is their option whether they attend any given meeting. There is a listing of Company's who have attended CIGRR along with their contact name, number and e-mail address. Attached is the CIGRR listing which was used for the Tampa Rate Center project.

Network Routing Resources Information Committee (NRRIC) is a sister type forum which is open to anyone. NRRIC has a larger distribution list than CIGRR. Future CIGRR meeting dates are provided to all NRRIC forum participants.
