I was going through my files and noted that CMS does not reflect payment of the \$100 settlement and shows the company's certificate was cancelled, effective 2/12/01. Although I now realize that RAR did not receive a copy of what Admin sent me, CMS/MCD is in error. Admin sent me a copy of the company's cover letter and check, showing the deposit number/date stamp of January 31, 2001. A copy is on the way over to RAR so that the records can be corrected. Sorry for the delay in notifying you. Thanks!
