NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the Petition for variance from or waiver of Rule 25-6.049(5)(a), Florida Administrative Code, filed October 9, 2000 by Dunes of Panama Owners Association, Inc. (Dunes), in Docket No. 001544-EU, was considered at the February 20, 2001, Agenda Conference. The rule requires that all occupancy units in condominiums, for which construction was commenced after January 1, 1981, be individually metered by the utility.

The waiver of Rule 25-6.049(5)(a), Florida Administrative Code, was granted by the Commission at the Agenda Conference. The Commission decision will allow Dunes to convert their existing individual meters to master meters, which will measure usage for all of the units. Order No. PSC-01-0626-PAA-EU, issued March 14, 2001, memorialized the decision. Order No. PSC-01-0888-CO-EU, issued April 9, 2001, makes Order No. PSC-01-0626-PAA-EU effective and final and closes Docket No. 001544-EU.

Notice of the petition was published in the Florida Administrative Weekly on November 22, 2000. A copy of the Order can be obtained from either the Division of Records and Reporting,
