Dear Paula,

Back on 3-13-01 I mailed a check for \$125.50 to cover the last two years of dues, late payment and interest. Today I am enclosing is a check for \$100.00 for our settlement offer. You should find our account under the name of Digital Telecommunications Inc. DBA Telrite certificate number 5703, code number TX221 and the Docket No. is 01453-TX.

In the last two years we have had one person paying the bills and about two months ago I let this person go. Until the 13<sup>th</sup> of last month when I was trying to go through and organize the work that this person was doing I saw a letter stating that we were going to loose our license. I don't know why this has not been paid for the last two years, but I can assure you that from now on this will be paid. I have the date of January 1<sup>st</sup> as a due date in my computer.

Please accept this settlement offer to keep our certificate active.

Sincerely,

Darryl E. Davis  
President
