RE: DOCKET NO. 010275-EI - Petition for approval of amendment to cogeneration contract with Pinellas County Resource Recovery Facility by Florida Power Corporation.

ISSUE 1: Should the Commission approve Florida Power Corporation's petition for approval of an amendment to its cogeneration contract with the Pinellas County Resource Facility?

RECOMMENDATION: Yes. While staff believes that FPC's petition overstates the savings to its customers from this agreement, the agreement should not cause FPC's customers to incur any additional costs. Further, the agreement ensures that Pinellas County will not schedule necessary boiler maintenance during high demand summer peak months.
