Dear Ms. Bayo:

This letter is to inform you of the current status of C.C.W. Telephone, Inc.

The company is no longer doing business at the present time. All of our pay telephones were removed from service as of December 29,2000.

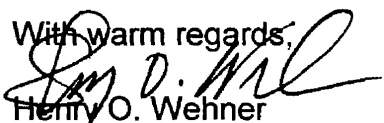

We are in the process of disposing of any and all equipment at the present time. Since we are no longer a pay telephone provider we wish to relinquish our certificate (#4165) at the present time.

We wish to extend our thanks to the Florida Public Service Commission for their assistance with our business over the past five years. It has been a difficult decision to close our business.

We further hope that you and your organization will continue to be successful in its service to the people of Florida. If there are any items of business that need our attention please advise.

Thank you very much. I remain,

With warm regards,

Henry O. Wenner
President/treasurer
