Good morning.

Linda, please change the docket title to:

Cancellation by Florida Public Service Commission of Interexchange Telecommunications Certificate No. 2967 issued to Cleartel Communications, Inc. for violation of Rule 25-4.0161, F.A.C., Regulatory Assessment Fees; Telecommunications Companies.

Sandy, this docket has been reassigned to me (instead of Ray) for handling. I am revising the CASR today to file the recommendation 5/3. Thanks to you both!
