**Importance:** High

Ms. Sims:

BellSouth's recent filing for approval of an amendment to the resale agreement negotiated between BellSouth and Phone-Link, Inc., filed April 4, 2001, docket 010400-TP, is insufficient as filed.

The amendment/attachment containing the signature of a Phone-Link and BellSouth representative needs to be corrected to include the following: (1) the typed/printed name of BellSouth's representative; (2) the title of same; (3) the date the amendment was signed by the parties.

This docket will be rescheduled for the May 29, 2001 agenda, for which a corrected filing is due at the Commission not later than May 11, 2001.

Failure to correct this filing could result in BellSouth's request to be denied.

We appreciate your immediate attention to this matter.
