Subject: Docket 010419- Verizon/Level 3
Importance: High

Ms. Caswell:

Verizon filed recently, on April 6 , 2001, Docket 010419, for approval of a first amendment to adopted terms of its interconnection, resale and unbundling agreement with Level 3.

As filed, this agreement is insufficient for the following reasons:
(1) Execution page is not dated by the parties.

Additionally, I have concerns about certain terms and information in this amendment, and have asked the legal division to review for my clarification.

That said, I'm reassigning this docket to the May 29, 2001 agenda, with a recommendation now due May 17, 2001.

Please provide a new execution page with the date(s) signed by the parties, not later than May 11, 2001.
