PRICE LIST FORMAT

- A. Sheet Numbering - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the price list. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the Florida PSC. For example, the 4th revised Sheet 14 cancels the 3rd revised Sheet 14. Consult the Check Sheet for the sheet currently in effect.
- C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
2.
2.1.
2.1.1.
2.1.1.A.
2.1.1.A.1.
2.1.1.A.1.(a).
2.1.1.A.1.(a).I.
2.1.1.A.1.(a).I.(i).
2.1.1.A.1.(a).I.(i).(1).
- D. Check Sheets - When a price list filing is made with the Florida PSC, an updated check sheet accompanies the price list filing. The check sheet lists the sheets contained in the price list, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remains the same, just revised revision levels on some pages). The price list user should refer to the latest check sheet to find out if a particular sheet is the most current on file with the Florida PSC.

The calling card service permits customers make and charge for calls over the Pilgrim Telephone network from any location, and to have the charges for the calls billed to the billed address associated with the calling card.

5.2.1 Obtaining a Calling Card

Calling cards may be obtained by writing to Pilgrim Telephone and requesting the calling card, or by calling Pilgrim Telephone access numbers, both 1+ and 1-800, and requesting authorization over the telephone. After performing the necessary credit checks, Pilgrim may issue the calling card over the telephone, and reserves the right to instead notify the Customer in writing.

Calling cards may be used to charge the cost of any Pilgrim Telephone common carrier service under this tariff. Pilgrim Telephone calling cards do not constitute a "presubscription or comparable arrangement" as that term is defined above, but may be used for charging information or pay-per-call charges. When reciprocal billing agreements exist with other carriers Pilgrim may also accept the calling cards of those other carriers.
