Re: Docket 010437-TP, Request for approval of amendment to existing interconnection, unbundling, resale, and collocation agreement with Premiere Network Services, Inc.

Dear Mrs. Bayó:

On April 9, 2001, BellSouth and Premiere Network Services, Inc. filed a request for approval of amendment to existing interconnection, unbundling, resale, and collocation agreement with Premiere Network Services for Florida Public Service Commission approval. The subject of the cover letter of the filing was styled as referenced above. The cover letter did not correctly present the certified name of the CLEC involved, and it should be changed.

Please use this letter to correctly style the submittal and Docket title as " Request for approval of amendment to existing interconnection, unbundling, resale, and collocation agreement with Premiere Network Services, Inc. "

I would appreciate your assistance in correcting the filing and record in question.

Yours very truly,

*Marshall M. Criser III*  
Regulatory Vice President (KA)
