Ms. Sims:

BellSouth recently filed, on April 9, 2001, Docket 010436, for approval of an amendment to its interconnection, unbundling, resale and collocation agreement with Xspedius Corp.

As filed, the request for approval is insufficient. The execution page, while signed, does not contain the date signed by the parties, nor does it provide the typed/written name of BellSouth's representative, nor their title.

Please resubmit a corrected amendment, with the information as required above, not later than May 11, 2001. This docket is being moved to the May 29, 2001 agenda, with a recommendation due date of May 17, 2001.
