Hi Linda. Please add " and Alternative Local Exchange Carrier Certificate No. 7156" after Certificate No. 2967 in the docket title. Also, currently "Telecommunications" has only one "m" in the rule name.

In addition, the suffix is currently TI and it needs to be changed to TP.

I need to revise the CASR on this docket (currently scheduled to file the recommendation tomorrow). Is it OK to do revise it with the old docket title or should I wait until you change the docket title? Let me know. Thanks!
