Re: Complaint of Allied Universal Corporation and Chemical Formulators, Inc.
Against Tampa Electric Company; FPSC Docket No. 000061-EI

Dear Ms. Bayo:

On May 1, 2001 we filed on behalf of Tampa Electric Company a request for confidential classification of various portions of the deposition transcripts of Tampa Electric witnesses Ashburn, Rodriquez, Sweat and Westra. That request indicated that the contents of a number of the deposition exhibits of Tampa Electric's witnesses have already been ruled confidential by the Prehearing Officer. As we indicated in our request for confidential classification, Tampa Electric has reviewed the deposition exhibits and wishes to clarify for your convenience which of those exhibits have already been ruled confidential.

Attached hereto are separate schedules for Tampa Electric witnesses Ashburn, Rodriquez, Sweat and Westra. Each schedule identifies the confidential deposition exhibits by exhibit number and Bates stamp along with the description of the exhibit and reference to the order granting confidential treatment. On behalf of Tampa Electric we respectfully request that the confidentiality afforded these deposition exhibits be observed and that the deposition exhibits not be disclosed publicly.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning the same to this writer.
