Dear Mr. Finlen:

As a follow-up to our recent discussions and negotiations toward a new interconnection agreement, Supra Telecom hereby confirms its intent to adopt the State of Florida Interconnection Agreement between AT&T and BellSouth, dated June 10, 1997. This includes all exhibits and amendments that have been negotiated and executed to date between the parties.

As we discussed, Supra Telecom wishes to amend the original agreement only to reflect use of the TAG interface. Supra Telecom will not request use of, or participate in the development of, the EC-Lite interface described in the agreement between AT&T and BellSouth.

Mr. Olukayode Ramos will execute the adoption of said agreement between BellSouth and Supra. Please send all documents to Mr. Ramos at 2620 S.W. 27th Avenue, Miami, FL 33133. If you have any questions, you may call me at (850) 402-0510.

Sincerely,

Wayne L. Stavanja
