Kim, I was out of the office last week when the revised pages of the agreement reflecting the correct name for Lightsource were sent from our negotiators in Kansas City and they were somehow overlooked. We will be filing them and the other corrections noted below this morning and hand delivering a copy to your office. I apologize for not getting this back to you by the May 8 deadline.

Ms. Masterton:

In Sprint's Notice of Adoption of the Pathnet/Sprint agreement by LightSource, filed April 20, 2001, Docket 010566, it appears that a few items will need correction before this matter may proceed.

The following items need to be corrected:

1. Please correct Pathnet's corporate name, where identified, in the petition letter and as referenced in the agreement with LightSource. Pathnet's certificated name, which must be duly noted throughout, is: Pathnet, Inc., d/b/a Pathnet Communications, Inc.
2. Correct LightSource's name, deleting the d/b/a. LightSource, as

certificated with the Florida PSC, does not have a d/b/a in its name.

If

LightSource is licensed with the Secretary of State, Division of Corporations, with a d/b/a, then it must also file documentation to correct

its name with the FPSC. Corporate names with the FPSC must match those on

file with the Secretary of State. To that end, please correct the Sprint/LightSource filing to show, if true, LightSource's name as: LightSource Telecom I, LLC. There is no d/b/a on file with the FPSC.

3. Correct Sprint's name, as identified in the petition letter and agreement to correctly identify Sprint as: Sprint-Florida, Incorporated. (not "Inc.")

Please submit all corrected documentation not later than Tuesday, May 8, 2001. Failure to do so may result in a denial of Sprint/LightSource's petition.
