RE: Docket No. 000808-EI - Petition for Approval of Consumptive Water Use Monitoring Activity and Smith Wetlands Mitigation Plan as New Programs for Cost Recovery Through the Environmental Cost Recovery Clause.

VIA FACSIMILE

An issue identification meeting will be held in Docket No. 000808-EI at the following time and place:

May 23, 2001
Florida Public Service Commission, Room 362
2540 Shumard Oak Blvd.
Tallahassee, FL

The meeting will begin after the depositions of Ms. Ritenour and Mr. Vick are completed.

The purpose of this meeting is to identify the issues to be addressed in the hearing on this docket, and to identify any matters that can be stipulated. To prepare for the Prehearing Conference, the parties should attempt to come to agreement on the nature of the issues, the wording of the issues, and the wording of any stipulations.
