Hi Linda,

This docket's cancellation date should be 4/18/01.

This was the day the cancellation request was received in RAR and assigned a document number. The company went out of business 12/29/2000, and in my haste to establish a docket, I requested this date rather than the date the cancellation request was received by the Commission.

Please change the cancellation effective date to 4/18/01.

Thank you,

Toni
