Re: Docket No. 991437-WU - Application for increase in water rates in Orange County by Wedgefield Utilities, Inc.

Dear Mr. Girtman:

I have received your Response to Commission Staff's Third Set of Discovery Including Interrogatory Nos. 13-18 and Document Requests Nos. 11-12. However, your responses do not comply with the instructions set forth in Commission Staff's Interrogatories and Requests for Production of Documents. In particular, instruction B which states that "[i]f Wedgefield cannot answer a particular interrogatory in full . . . it should state the answer to the extent possible and specify why it is unable to answer the remainder." Moreover, instruction C states that if the requested information is not available, that response should be reported as well as the reason why.

Staff Interrogatories Nos. 15 through 18 are follow up questions to earlier interrogatories and as such, staff believes that Wedgefield must have relied on some information in order to have been able to provide the earlier responses. Therefore, please provide responses to Interrogatories Nos. 15 through 18 and Document Requests Nos. 13 through 15.

For the remaining Interrogatories Nos. 13 through 14 and Document Requests Nos. 11 through 12, please provide specific responses to each individual Interrogatory and Document Request.

Sincerely,

Jason K. Fudge
