Re: Docket No. 990649-TP  
Investigation into Pricing of Unbundled Network Elements

Dear Ms. Bayo:

In response to a Staff request, the following items are enclosed for filing in the above matter:

1. Two printed copies of Verizon Florida Inc.'s nonrecurring cost (NRC-FL) study. Verizon is in the process of producing a printed version of its Integrated Cost Model (ICM-FL) and will send two copies as soon as the printed version is completed. Verizon claims both these documents as confidential under section 183(1) of the Florida Statutes, so they are to be protected from public disclosure.
2. One additional set of redacted CDs of Verizon's ICM-FL and NRC-FL cost studies, containing only the non-proprietary information.

Please contact me if you have any questions regarding this information.

Sincerely,

Kimberly Caswell
