Re: Complaint of Allied Universal Corporation and Chemical Formulators, Inc.
against Tampa Electric Company; FPSC Docket No. 000061-EI

Dear Ms. Bayo:

On May 4, 2001 we filed Tampa Electric Company's Request for Confidential Classification of portions of depositions and, as applicable, deposition exhibits of two of Odyssey's witnesses in the above proceeding. In our request we stated that we were withholding the public version of the deposition transcripts or exhibits pending the later of (a) the expiration of the 14-day review period set forth in Rule 25-22.006, Florida Administrative Code, or (b) if any supplemental requests were forthcoming, the final disposition of such supplemental requests. The 14-day period has now expired and no supplemental requests were filed.

Enclosed are the public versions of the following items with the confidential information redacted:

Deposition transcripts and exhibits of witnesses
Stephen W. Sidelko and Patrick H. Allman

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.
