Re: Complaint of Allied Universal Corporation and Chemical Formulators, Inc.  
against Tampa Electric Company; FPSC Docket No. 000061-EI

Dear Ms. Bayo:

On May 8, 2001 we filed Tampa Electric Company's Request for Confidential Classification of portions of the deposition of one of Odyssey's witnesses in the above proceeding. In our request we stated that we were withholding the public version of the deposition transcript pending the later of (a) the expiration of the 14-day review period set forth in Rule 25-22.006, Florida Administrative Code, or (b) if any supplemental requests were forthcoming, the final disposition of such supplemental requests. The 14-day period has now expired and no supplemental requests were filed.

Enclosed is the public version of the following item with the confidential information redacted:

Deposition transcript of witness Pamela Winters

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

  
James D. Beasley
