**Michael was originally assigned to this docket. I will compose the new memo to have it closed by operation of law. The amendment, not the entire agreement as originally filed, is what was withdrawn on Feb. 12th. Michael, I'll take care of this.**

**Sandy:**

**What do we need to file to reopen this docket in order to close it again?**

**Kim or Margie. We are going to have to reopen this docket and then issue a memo that this docket went into effect by operation of law and close the docket again. This docket was closed without Legal's signature.**

**Kim:**

**I was checking the above referenced agreement for an approval order and could not find one. Upon reviewing the docket information that I have in my file, I believe the docket was closed and the agreement was never acted on.**

**The IURC agreement was filed on January 18, 2001 and issued Docket 010070-TP. On January 19, 2001 we filed an amendment in that docket. On February 12, 2001 we withdrew the amendment as it was to the previous agreement that was filed and the provisions were included in the new agreement that was filed on January 18, 2001.**

**A Staff memo to the Clerks office dated February 20, 2001 requested the docket be closed.**

**It appears that the docket was closed and the agreement is still sitting there waiting for action. The 90 days was up on April 18.**

**Will we get an approval order?**

**Thanks for your help.**
