DOCKET NO.: 010743-TL

Filed May 15, 2001

PETITION TO INTERVENE AS A PARTY

COMES NOW the County of Volusia and petitions the Florida Public Service Commission to intervene as an official party of record in the above-styled docket and states as grounds therefor:

1. The County of Volusia is a Charter County of the State of Florida. The administrative official responsible for matters addressed herein is:

Robert M. Weiss

fax no.: 386-822-5795

2. The Petitioner is represented by:

e-mail address: FGummey@co.volusia.fl.us

3. The County of Volusia has a small area in the southwest quadrant of the

county which is served by the 407/321 area code. The remainder of the county is served by the 386 area code. Substantial confusion exists within the county because of the division between area codes to the detriment of residents and commercial interests within the county. Unification of the entire county within the 386 area code, while permitting existing customers to keep 407 area code numbers, would materially benefit the economic and social interests of the county and its residents.

4. The Petitioner desires to see relief plans developed and adopted which provide for transfer of the 407/321 area code within Volusia County to the 386 area code for all new numbers.

WHEREFORE, County of Volusia petitions the Florida Public Service Commission to intervene as an official party of record in Docket number 010743-TL.

CERTIFICATE OF SERVICE

I HEREBY CERTIFY that a true copy of the foregoing has been furnished by U.S. Mail to **all parties on the attached service list**, this 25 th day of May, 2001.
