**DATE:** May 30, 2001  
**TO:** Division of Records and Reporting (Flynn)  
**FROM:** Division of Regulatory Oversight (Freeman, Vandiver) *ff dms*  
**RE:** Docket 010002-EG, Recommendation concerning return of staff working paper 10-30 to Florida Power & Light Company (FPL) from FPL Conservation Cost Recovery Audit for the year ended September 30, 1997, Audit Numbered 97-269-4-1, Documents 13247-97 and 00395-98

Working paper 43-10/1 (1 page) contains social security numbers of FPL employees. The utility in its December 27, 1999 request for extension of confidential classification proposed, in part, that WP 43-10/1 be protected until this information was returned to FPL.

Reading this working paper reveals these employee social security numbers listed on WP 43-10/1 are no longer needed.

We therefore recommend:

Working paper 43-10/1 from document 00395-98 be returned to FPL;

Working paper 43-10/1 from document 13247-97 be destroyed; and

These 2 documents be replaced by redacted copies of working paper 43-10/1 from document 00396-98 (attached).
