FPSC-RECORDS/REPORTING

3. The Commission granted Time Warner a certificate of authority in Docket No. 95-0906 to provide services as an Alternative Local Exchange Company in Florida. Time Warner is a facilities-based carrier that provides exchange access and local exchange telecommunications services in the 407 area code in Florida. As such, Time Warner is subject to the rules, regulations, and orders of the Commission, and such rules, regulations, and orders impact Time Warner in the provision of telecommunications services in the 407 area code, and Time Warner's ability to compete.

4. The Commission's decision in this docket will have precedential impact on future decisions of the Commission and, in turn, upon Time Warner. Thus, the interests of Time Warner Telecom may or will be substantially affected by any decision regarding proposed numbering plan relief for the 407 area code.

For the reasons stated above, Time Warner respectfully requests that the Commission grant this Petition for Leave to Intervene and accord Time Warner full party status in this proceeding.

Respectfully submitted this 5<sup>h</sup> day of June, 2001.
