Re: Business Telecom, Inc.'s Authority to Provide Facilities-Based Interexchange Services

Dear Ms. Bayo:

Business Telecom, Inc. ("BTI"), by its undersigned counsel, submits an original and fifteen (15) copies of this letter requesting that the Florida Public Service Commission ("Commission") update its website to show that BTI is an authorized facilities-based interexchange provider.

BTI was granted authority to provide full interexchange telecommunications services with alternative operator service in the State of Florida pursuant to the order of the Commission in Docket No. 910902-TI on February 25, 1992. The Commission's website, however, does not list BTI as a facilities-based interexchange provider. Accordingly, BTI respectfully requests that the Commission update its website to show that BTI is an authorized facilities-based interexchange and operator service provider.

Please date-stamp the enclosed extra copy of this filing and return it in the attached self-addressed, postage prepaid envelope provided. Should you have any questions concerning this request, please do not hesitate to contact Brian McDermott at (202) 295-8346.
