RE: Termination Letter

Dear Ms. Hawkins:

I am sending this letter showing that the Delta Phones, Inc. and Gulf Coast Communications potential buyout has terminated effective 06-01-01. Both parties agree that for the best interest of either company that the merger should not go through. The Docket Number for this transaction was 010779-TX. I have also included a copy of the original letter I sent you on May 17, 2001 for your review.

Please contact me, Frederick Huenefeld, at Delta Phones, Inc. (1-800-814-8623) if you have any further questions.

Sincerely,

Frederick Huenefeld

Re: Gulf Coast Communication

Dear Ms. Hawkins:

Gulf Coast Communication (hereinafter "Gulfcoast" or "seller") hereby request that the Florida Public Service Commission (hereinafter "Commission") approve the transfer of control of the local telecommunications authorizations held by Gulf Coast, as granted by the Commission on January 11, 2000(Local Exchange), in Docket No. 991625-TX to Delta Phones, Inc. As of May 26, 2001 the telecommunications license assets of Gulf Coast were sold to Delta Phones, Inc.

In furtherance of the requested transfer, the parties provide the following information:

I. THE PARTIES

A. Gulf Coast Communications

Gulf Coast, a wholly owned subsidiary of Gulf Coast Communications, Inc., was incorporated under the laws of the state of Florida, with principal business offices located at 5260 Mobile Highway, Pensacola, Florida, 32526. Gulf Coast is licensed as a non-facilities based carrier and reseller of local telecommunications services in the State of Florida. Gulf Coast was granted a Certificate of Public Convenience and Necessity to provide alternative local telecommunications service by the Commission Order No. 5635 on January 11, 2000. Gulf Coast is presently providing services in the State of Florida. Gulf Coast is certified to provide telecommunications services in

five of the States of the Union. In addition, Gulf Coast is authorized to provide telecommunication services pursuant to the authority granted to it by the public Service Commission.

B. DELTA PHONES, INC.

Delta Phones, Inc. is a Louisiana Corporation with its principal business offices located at 245 Illinois Street, Delhi, Louisiana, 71232. One copy of the Articles of Formation of Transpoint Communication is attached hereto as Exhibit 2.

II. REQUEST FOR APPROVAL TO TRANSFER OF CONTROL

To accomplish this transfer of control, Gulf Coast's Certificate of Public Convenience and Necessity will be transferred from Gulf Coast to Delta Phones, Inc., so that Delta Phones, Inc. will become the owner of the subject licenses and will have the authority to provide resold telecommunications services in the State of Florida.

The proposed transaction will not in any way disrupt service or cause inconvenience or confusion to the customers who were with Gulf Coast and the proposed transfer of control will have no adverse impact on the consumers in the State of Florida.

The transfer of control will further the public interest by providing for new ownership that plans to offer competitive local telecommunications services to the citizens of the State.

To the extent required, the parties respectfully request that the Commission authorize the instant transfer of control request as summarized above and that the Commission grant any and all authority required to accomplish this end.

Should you have any questions or require additional information, please contact me at your convenience.

Respectfully submitted,

Frederick Hueneveld
