RE: HEARING OF JUNE 15, 2001  
Docket No. 000028-TL

I was out of the country and when I got back recently it was handed the notice of the change due to the scheduling problem of the commissioner.

I had no problem with the first hearing date, but the second one conflicts, starting on June 11, 2001 I have several hearings starting in Broward County, (see attached), up until the end of the week. I attempted to get continuances but I could not.

When the commission decided that they had to make changes, we should of been informed so that we can clear our schedules as well.

This is an appeal able issue

I am requesting that this matter be reset.

Ms. Christensen

Docket No. 000028-TL

For the purposes of clarification I have attached a copy of a DMV notice of hearing which starts on June 11, 2001 Then the 12th I start trial which could last until the end of the week. On Friday at 2:00 I am scheduled for another matter in West Palm Beach, that will only go forward if the trial continues.

I can not get the Judges to change their minds since the last two weeks. Therefore it is impossible for me to be in Tallahassee at the same time.

I am requesting that the above Docket matter set for June 15 be continued until a later date, also I am requesting to know in advance what dates you have in mind so that I can prepare for it, which will avoid this scheduling conflict in the future.

**I have spoken to the Bell South Attorney and he does not object to the continuance!**

Sincerely,

  
Anthony Parks
